

# DECLARATION OF CONFORMITY

*Manufacturer:*

## **Swiss Aqua Technologies AG**

Gewerbestrasse 9  
6330 Cham  
Switzerland

*Declare that the products:*

### **IPS KalyxX RedLine, BlueLine, and Active**

The physical-galvanic water treatment for preventing the creation of limescale from water heaters, pipes, mixers, showers and all equipment through which water flows with efficiency up to 76% (RedLine and BlueLine) and up to 90% (Active). IPS utilizes the energy of spinning water and a small electric field between special-shaped turbines.

- Change hard calcite to soft aragonite.
- Reduce the need to descale tankless heaters, mixers.
- Doesn't restrict household water pressure.
- Environmentally friendly and chemical-free.
- No electricity required.
- Easy-to-install and maintenance-free.
- suitable with drinking water.

*is in conformity with the following legislative requirements and technical standards:*

- **Health safety** – Ordinance of Health Ministry SR no. **550/2007 Coll.**
  - **Act No. 355/2007 Coll.** on protection, support and development of public health and amendments and supplementing to some acts
